Town of Pinckney Highway Report July 14, 2026

- McDonald Road project discussion.
- Denning West Road Bridge replacement project in progress after a yearlong DEC permitting process.
- Vacations being used.
- New truck in service and rust undercoating installed.
- Update discussions on the D5112.2 fund to proper spending amount.
- Section of Tontarski Road improved.
- DEC permit in process for West end of Pinckney Road on School House hill section.
- Chips funding to arrive this week. Remaining amounts to be submitted shortly for September's payment. Discussion on CHIPS program.
- Plow trucks now becoming available. Will try to sell Oshkosh through connections to help fund a possible purchase.
- Dust control, round 3 in process.
- Surface improvement to residential position of Denning East Road.
- Round two of road graded completed. All 37 miles.
- Dry hydrant installed on Pinckney farm pond.
- Rodman Fire Dept supplied material for it and will supply material for one more. We will look to south east end of town. That would make the 6th one and no place would be more than 4.5 miles from a year-round water source.
